Working Student/ Intern Finance (m/f/d)

Full-time/ part-time - Munich

E-commerce is booming! New, cool independent brands are popping up every day but inconsistent post-sales processes quickly become their growth bottleneck. Our mission is to enable all online stores to provide their customers with a seamless and best-in-class experience by leveraging our Fulfillment as a Service platform, so that they can continue to grow and challenge their established competitors.

Our Finance department's purpose is to translate our effort into sustainable value creation by providing financial guidance and direction. Our ambition is to build the globally leading SaaS company in e-commerce logistics. Therefore, we need the best and most complementary finance team in the market. Three statements which describe our mindset: 1) We are a supporting line not reporting line, 2) We are driven by fundamentals, 3) We trust in actuals.

YOUR RESPONSIBILITIES - EXCITING AND CHALLENGING

- You will be responsible for special projects within our finance department, which have a high strategic impact on our company's success
- You will directly support our Head of Finance in all relevant day-to-day tasks, e.g., investor reporting, financial and strategic analyses, financial sparring with department leads
- You will work on automating our finance processes to ensure smooth financial operations and scalability of our business
- You will have the opportunity to define own priorities aligned with our company OKRs to work on current white spots of our finance department

YOUR PROFILE - STRUCTURED, DETAIL-ORIENTED, INDEPENDENT

- You are currently enrolled in a top-tier university or are a self-starter with exceptional analytical skills, clarity of mind and structured problem-solving abilities (gap-year interns are also welcomed)
- You ideally have gained first experience in fast-growing technology startups, venture capital, investment banking, corporate controlling or management consulting
- You are able to build financials models and prepare strategic presentations with only little guidance
- You are eager to take over responsibility and have a hands-on attitude with a focus on execution
- Previous experience in SaaS, logistics or mobility environments is a strong plus
- You are an excellent communicator with very good German (C2) and English skills

YOUR BENEFITS - FAST GROWTH & STEEP LEARNING CURVE

- You'll be part of an ambitious team determined to shape the future of e-commerce in Europe working hand in hand with our experienced founders (Rocket Internet, Foodora, Kaia Health, Curingshot)
- For us, it's not important where you come from, but how happy you make our customers. If you have your own philosophy or a new approach in your work, we would be happy to learn from you
- With us you will experience a lot of personal responsibility from day one, which will lead you through a steep learning curve and boost your professional as well as personal growth
- There are no hierarchies with us. This means working at eye level, short decision-making processes, direct communication and a family-like atmosphere with cool team events
